If you have had previous diagnostic studies of the body part being evaluated, please bring those films and reports, or request they be sent to the Center. These studies or reports are very helpful to the Radiologist interpreting your exam.

**COMPUTED TOMOGRAPHY (CT)**

Please contact center for prep.

**Tell the CT Technologist:**

- If you are pregnant or breast feeding
- If you have had a barium enema or UGI within the last two weeks
- If you have had brain, heart, ear, eye or other surgeries
- If you have had an IVP within 48 hours

**MAGNETIC RESONANCE IMAGING (MRI)**

Please let your MRI Technologist know if you have a pacemaker, surgical clips, a prosthesis, previous surgery, metal implants or any other metal objects in your body or if you are pregnant or nursing.

**ULTRASOUND**

**Abdominal Ultrasound:**

Please do not eat or drink (NPO) 6-8 hours prior to the exam.

**Pelvic/OB <30 weeks:**

Please have finished drinking four 8-ounce glasses of water 1 hour prior to your appointment time.

Your bladder must be full upon arrival. Pediatric patients drink 12 ounces of water 1 hour prior to appointment time.

**FLUORO/IVP** Please contact center for prep.

**X-RAY** No Prep.
